

Junior College Remote Learning - Parent Fact Sheet

Managing Remote Learning at home

School may look different, but we can all do this together!

- At home student learning is 1:1 focused so much more intensive than in a classroom
 - Remember to set a timer for recess and lunch breaks.
 - Please ensure ongoing physical participation.
- Our aim is to work with parents to maintain and promote student learning.

Attendance

- We ask that all students attend the Morning Check In session. This is also when the roll will be marked.
- If your child is absent or unwell please follow the normal procedure for notifying the school.
Absence Line: 54412442

Communication

- Your child's homeroom teacher will post on Compass your child's daily overview
- The daily plan is the main source of information for each lesson
- Your teachers will be available to talk to you and your child via Teams or email. Teachers will be available live on Teams during their timetabled classes.
- Teachers will schedule the Morning Check with link in Compass planner
- Check In time - 9:00am for all Junior classes
- We are aware that additional devices may be needed for households to Check In at the same time. Please ask if you require any assistance in this area. We are able to assist you.

Feedback

- Your child's teacher will be using Compass to give you written feedback as per our usual College reporting process.
- Feedback may also be given via email

Student Wellbeing

- Maintaining a positive student teacher relationship is important so teachers will enjoy contacting your child personally during this period of remote learning. This may happen via a phone call, Teams chat or letter
- NOTE: When students do return to the College teachers will look at where they are at and adjust their teaching as required.

Support

- For Remote Learning assistance relating to class work you may contact your Homeroom teacher. They are available on Teams.
