

Year 7 to Year 10 Remote Learning - Parent Fact Sheet

Start the Day Well

- If you are at home with your child, please ensure that they have had breakfast and are dressed in neat casual clothes and ready to learn before the 9:00am Morning Check In
- If your child is unwell or unable to attend classes, please contact the College or phone the absence line. Phone 54412442.

School may look different, but we can all do this together.

Creating a Learning Space

- Your child's learning space should be tidy, comfortable and as quiet as possible
- Make sure your child is sitting on a chair at a desk or table
- Ensure that your child has a charged device and is able to log in to Teams and Compass
- Students need to have specific materials for each subject ready
- If your child is using the devices' camera please ensure they are sitting in front of a blank background
- Students can use headphones and should remove all distractions including mobile phones

Communication

- During video calls for classes and during morning check in, students cameras are to be turned on! This will assist our young people to stay connected and is important for their own wellbeing.
- Your child's teachers will post lessons on Compass
- Please check in to Compass each day to see any additional notices from the College, updates to lessons or additional instructions from your child's teacher
- Your child can use the Teams chat facility to ask questions about course content and stay in contact with their teachers
- Your child should submit work through Compass
- Please contact the subject or Homeroom teacher if you have any specific questions regarding your child's learning
- Teachers are available live on Teams during all of their timetabled lessons.

Feedback

- Your child's teacher will be using Teams to answer questions and have daily conversations
- Students please submit any work requirements on Compass
- Students marks and feedback on set tasks is provided on Compass, under the Learning Tasks tab.

What parents can do

- Parents can support their children by encouraging them to set goals, plan and manage their time, effort and emotions
- This type of support can help children to regulate their own learning and maintain relationships as much as possible during on-line learning.
- Encourage your child to practice healthy habits
- Have recess and lunch breaks and eat healthy food
- Engage in exercise each day - outside if possible
- Please keep in communication with Homeroom teachers if you have any concerns regarding your child's overall learning or wellbeing
